**H** Working closely with the U.S. Department of Justice attorneys, THEHUCKGROUP applied its trademarked process of visually persuasive storytelling to simplify a complex case down to its essence, truth vs. lies.

Wading through the hundreds of pages of notes and evidence, THEHUCKGROUP was able to simplify the case against the Enron executives into a narrative theme that resonated with the jury.

With THEHUCKGROUP's assistance the attorneys were able to present the government's story in a way that jurors could quickly understand, believe and act on. Using this proven method we were able to assist the attorney's in achieving a verdict in their favor.

THEHUCKGROUP possesses a solid background and experience that cuts across a broad spectrum of criminal and civil trial matters. The firm's criminal matters include serving Eagle County, CO in The People vs. Kobe Bryant and working as part of the defense team in The People vs. Scott Peterson.
